## COMPANY OVERVIEW

Dayaram General Trading LLC is a company that buys and sells products and provides services across the international markets. Established in 1997, the company pioneered the introduction of Chinese and Taiwanese products to the Middle Eastern and African regions, excelling in both exporting and importing. Initially, Dayaram General Trading LLC focused on Readymade Garments and Sundries, partnering with reliable suppliers to procure high-quality products for export and import. (Currently, the company has significantly expanded its portfolio and market reach, leveraging a deep understanding of international trade practices, regulations, and market dynamics).

Dayaram General Trading LLC currently deals in a wide array of products, including FMCG, Electronics, Kitchenware, Readymade Garments, Daily Use Articles, Footwear, Sanitary Ware, Furniture, Mobile Phones & IT Products, Cosmetics, Construction Materials, and Carpets & Upholstery. The company effectively bridges the gap between producers and consumers in various countries, facilitating international trade and ensuring the smooth flow of goods globally.

## BUSINESS GROWTH

Dayaram General Trading LLC was established in the United Arab Emirates, a key trading hub strategically positioned to serve the GCC and African markets. It operates as the representative branch of the H. Daya Group in Hong Kong and Mainland China, under the auspices of SK. Daya International Co. Ltd. and VMD. Daya International Co. Ltd.

The H. Daya Group, renowned for overseeing production across multiple factories, is recognized as one of the largest export houses in Hong Kong and China. With offices in various locations and a dedicated team of over 200 professionals, the Group is well-positioned to manage its global operations efficiently and effectively.

## PROFESSIONAL TEAM

The Dayaram General Trading team is highly skilled in meeting the evolving needs of the market and customers. In addition to their qualified and experienced office staff, they have a team of merchandisers, both in-house and third-party, to promote their product range and introduce new products to their portfolio.
